You will receive a proof of your marble before it is engraved. At that time you can make any changes or corrections.

Factored into the price of the marble plaque is photo dust & scratch removal, contrast adjustments, sizing, cropping, borders around photographs such as halo, heart or frame background removal upon request, additions of backgrounds such as Rainbows, or other theme, under lays behind text such as a paw print, rose or butterfly and decorative borders framing text and photograph if you so desire. We do not charge a graphic fee if you have changes to the proof or if you decide you want to change the photo after seeing proof. Additionally, the urn comes wrapped in a beautiful gusset velvet bag with the saying "Until We Meet At The Rainbow Bridge" embroidered in gold letters.

You may upload your photo by [Clicking Here](#)
